

how to Love

dear dorris,

I haven't had a boyfriend
and I'm 20 now.

I have very low self-esteem,
what should I do? :(

"different today"

a poem for you <3

by Dorris McComics_x

Jessica Pau Arambula kim:
You have not quite yet found
"him"

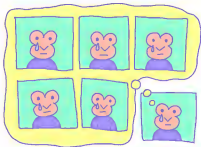

You dwell on times you felt too shy

to seize the love that drifted by

and think, "if my past's that way

how can it be different today?"

and you dream a dream of a dreamy guy

who will scoop you up

and help you fly.

FORGIVE YOURSELF

and don't allow

the past to dictate
what happens now.

If you keep this poem
as your magical guide

You and your Love

will soon collide.
